Our lovely gazebo provides a special area for just you and your guests, and our menu offers a variety of fun poolside snack, lunch and early dinner options.

*The NorthStar pool is heated. Our goal is to keep the water temperature within the Red Cross guideline of 78° to 82°.*

*Occasionally, we may need to close the pool due to inclement weather, bodily fluids and or other extraordinary event which may occur. We will do our best to inform you in a timely fashion of a pool closing via email and social media.*
